

TYREWISE DOMESTIC INCENTIVE SCHEDULE

PROCESSING AND MANUFACTURING

Rates are per tonne. Rates exclude GST. Incentives are payable on evidence of eligible sale to the domestic market only.

Incentive Rates - Tyres in Engineered Solutions	Code	Description	Processing / Manufacturing Incentive per tonne for eligible sale
Whole Tyres	TW1	Whole Tyres: Tyres essentially used in their original form. Civil Engineering (Baled - Retaining Walls, Temporary Roads, Sea Embankments, Blasting mats).	\$165

Incentive Rates - Tyre Derived Fuel	Code	Description	Processing / Manufacturing Incentive per tonne for eligible sale
Feedstock	TDF1	Primary Shred for further use in a destructive process or secondary process, typically irregular shape. Cut tyres or portions between 100 - 300mm.	\$365
	TDF2	Whole Tyres for Energy Recovery.	\$70

Incentive Rates - Tyre Derived Products	Code	Description	Processing / Manufacturing Incentive per tonne for eligible sale
Processed from Feedstock: Varying sized crumb used as end use functional product or as raw material for a secondary process e.g., Mulch, Landfill Engineering, Equestrian Arenas, Civil engineering, Tyre Derived Aggregate	TDP1	Rubber Powder: For end-of-life tyres processed into rubber powder (mesh size 30, 0 micron - 0.9mm). Free of steel and fibre.	\$390
	TDP2	Rubber Granulate Uncoloured: For end-of-life tyres processed into uncoloured rubber granulate, free of steel and in accordance with playground standard (mesh size 1-29mm).	\$365
	TDP3	Rubber Chip, typically cubical in shape: For high volume applications, used as road-fill – commonly known as tyre derived aggregate or TDA (30-299mm mesh size).	\$85
	TDP4	End use / Fabricated products (use 75% by weight of TDP 1- 3) (Incentive negotiated per application type)	Up to \$160
	TDP5	Rubber Granulate Coloured: For end-of-life tyres processed into coloured rubber granulate, free of steel. in accordance with playground standard. (Mesh size 1-29mm)	\$365
	TDP6	Carbon Black derived from tyre pyrolysis undertaken within New Zealand. (Incentive negotiated per application type)	TBA

Tyrewise may consider alternative incentive rates for processing categories not shown in this summary table. Incentives are reviewed periodically. Current incentive rates are shown on www.tyrewise.co.nz.
